The Ocean Edge Resort is a spectacular landmark with a rich New England history, Ocean Edge is listed in the National Register of Historic Places. Originally built as a residence for the Nickerson family, the estate also included a carriage house, stone tower (which served as the 19th hole for their private golf course) and a private game preserve (now Nickerson State Park). The architectural style of the Mansion closely resembles an English country manor with an eclectic blend of Renaissance Revival and Gothic themes. After extensive renovations and in keeping with its tradition, Ocean Edge is now a meeting and destination site for guests from around the world.
